INDOOR Junior Atlantics Qualifying

Qualifying for the 2025 Indoor Junior Atlantics will be based solely on the National Bank Rankings. The **top 8** ranked players in Atlantic Canada in each age group as of Wednesday, February 5th 2025 for each gender will qualify to play in the Indoor Atlantics, *regardless of which province they are from*. Players who are in the top 8 in their primary age group, and an older age, will qualify for both events. However, playing both events at the Atlantics is discouraged unless you plan to attend both Nationals, should you qualify. If a player in the top 8 does not accept their spot by Friday, February 7th 2025, the next player in line by ranking will be offered the vacant spot.

**Note: In an effort to have all top players compete in both eligible categories, we are adding 1 day to the Atlantics to allow for sufficient rest time between matches for players who wish to compete for 2 Nationals spots.*

Indoor Circuit:

The 2024-2025 Indoor ATA Circuit will consist of five 3.5-Star and Four 4-Star events, concluding with the 5-Star Atlantic Junior Championships (National Selections). These tournaments will give players the opportunity to earn points to climb into the top 8 in rankings, and to qualify for the Atlantics.

**Note the 3.5 Star and 4* events are open to players outside of Atlantic Canada.*

'Playing Up' Rule: Modified 2024

For 4-Star Events, Players may only play up one age division. I.e. Their Primary Age category and the age group above. Players ranked in the top 2, of their Older/Secondary age group, may play in two divisions above their primary age group.

UNDER 10 QUALIFYING

Since there are no Under 10 rankings, players will qualify through a point's race for the 8 available spots (boys and girls) at Indoor Atlantics.

A player's best 3 tournament results will be used to determine standings for a point's race using the table below. At the conclusion of all the circuit events, the top 8 boys and top 8 girls will earn spots. If one or more players are tied, the following will be used break the tie (*note: points are different between a 4* and 3.5* events, however this indoor season we will only have 4* events*)

1. Head to head results from the indoor circuit
2. Under 12 national rankings.
3. Total number of games won versus games lost from a player's best 3 circuit events.

Nationals Wildcards

On rare occasions, the ATA will accept requests for a Nationals wildcard spot from a player who is unable to attend the Atlantics for valid reason (out of province training, injury). A maximum of one wildcard per age group, per gender may be awarded to a player who is deemed to be one of the top players in their division. Any request for a wildcard must be sent to the ATA Administrator, Steve Mahar at least 14 days in advance of the first day of the Atlantics tournament. The awarding of a wildcard will require unanimous consent of the 4 PTAs and will be communicated to players 10 days prior to the start of play of the Atlantics.

Indoor Atlantics:

The 2025 Indoor Junior Atlantics will be held in Halifax, NS February 19 - 23 . The event will be a 5 day tournament with play to begin Wednesday Evening (possibly Thursday morning). Players may qualify in 2 singles events (if in Top 8) and play in 2 singles draws at the Indoor Atlantics; however, they must be prepared to play as many as 3 or 4 matches each day (not more than 2 per singles division) as required by the scheduling process.

Divisions:

Under 10 Boys & Girls Singles

Under 12 Boys & Girls Singles

Under 14 Boys & Girls Singles

Under 16 Boys & Girls Singles

Under 18 Boys & Girls Singles

Under 10 Doubles (may be combined)

Atlantics Format:

All singles divisions will be standard elimination draws (maximum of 8) with feed in consolation to the semis. Scoring format for all singles matches, both main draw and consolation, will be best 2 of 3 tiebreaker sets. Small draws may use a modified format. Under 10 will play best 2 out of 3 short sets to 4, with a standard 12-pt tiebreak at 3 games all.

Doubles divisions will be standard elimination draws with no consolation. Scoring format for doubles will be best 2 of 3 sets, no ad scoring, and 3rd set 10 point super tiebreaker. Doubles will be modified to 8-Game Pro-sets if time constraints become a factor.

Seeding for Atlantics: seeds will be as per the National Bank Rankings (Under 10 will be seeded as per the point's race standings) and as per the Tennis Canada Rules of the Court as it relates to seeding. All Atlantics Draws will have 4 Seeds, based only on ranking.

Nationals Spots Allocations

Players will qualify for the Canadian Junior Nationals by placing in the top 3 at the Junior Atlantics in their respective age groups. A player may also qualify for nationals if a spot is declined by a top 3 player (i.e. if a top 3 player declines a spot, the 4th place player will then be offered the national spot).

If an additional spot becomes available (i.e, 2 spots are declined) then the 2nd additional spot will be decided by the next in the rankings (as we do not play out the 5th and 6th place positions) *after the rankings are updated following the Atlantics event*. This is unless the two players in question have played each other in that particular age group, in which case the winner of that match is offered the spot first.

**Players must have participated in the Atlantics (National selection) in order to be*

considered for a National spot, unless a Wild Card has otherwise been granted.
